

Набор промптов для театрального костюма

Шаблоны для TheatreAI Studio. Замените [скобки] своими значениями.

Базовый силуэт

theatrical costume, [персонаж], [эпоха], strong silhouette readable from back row, stage lighting, not fashion runway

Фактура и материал

theatre costume, [ткань], visible weave texture, worn stage costume, dramatic side light, empty stage background

В контексте сцены

character in full costume on theatre stage, [декорация], counterlight, audience perspective from stalls

Группа / хор

ensemble theatre costumes, unified palette [цвет], distinct silhouettes, chorus on stage, wide shot

До/после референса

transform costume reference into final stage look, keep silhouette, enhance texture for distance viewing
